TECHNICAL DATA

PRO 24 BIOLOGICAL ODOUR ELIMINATOR

For use on all washable surfaces including:

- ✓ Waste & recycling bins
- ✓ Waste collection areas
- ✓ Washroom floors & surfaces
- ✓ Toilets, urinals & drains
- ✓ Carpets
- ✓ Fabrics
- ✓ Soft furnishings
- ✓ Vehicle interiors
- ✓ Pet cages

Description:

Pro 24 is a superior formulation for complete odour elimination on any surface. The unique odour encapsulation technology binds and traps odours on contact whilst the live, probiotic formulation breaks them down to remove odour at the source.

The unique formulation of Pro 24 rapidly neutralises all odours in a variety of environments and does so without the use of masking agents or hazardous chemical oxidisers.

The formula is highly effective against spoiled food, fish, cigarette smoke, pet accidents and other odorous compounds.

Benefits:

- Instant results - even the most pungent malodour is instantly removed
- Phenol free odour neutralisation & waste degradation.
- Effective, long-lasting results.
- Environmentally responsible formulation
- 100% biodegradable formula containing no harmful ingredients

Instructions for use:

Shake before use to activate the live ingredients.

Dilute 1:4 with fresh water into a trigger spray bottle and lightly mist directly onto odorous surfaces. Leave to air dry, no need to wipe or rinse.

Dilution guide for 500ml trigger spray bottle:

For each dilution add the amount of chemical as directed with either a measuring jug or a 30ml shot from a pelican pump dispenser. Top up the remainder of the container with fresh water.

For controlled dosing always use a pelican pump dispenser attached to a 5L container.

Always shake before use to activate the ingredients.

1:4 1 part chemical to 4 parts water 100ml / 3 shots

TECHNICAL DATA

PRO 24 BIOLOGICAL ODOUR ELIMINATOR

Contains:

CAS No: 2634-33-5 1,2 Benzisothiazolin-3-one

Care:

May produce an allergic reaction.
Keep out of the reach of children.

State	Liquid
Appearance	Pale, straw colour
Odour	Slight
pH	7.5
Solubility in water	Soluble in water

Available sizes and ordering codes:

6 x 500ml Ready to use bottles

PRO24-6x500

2 x 5l Concentrate

PRO24-2x5

Larger sizes available on request
