TECHNICAL DATA

PRO 52 BIOLOGICAL WASTE WATER TREATMENT & DRAIN MAINTAINER

Designed for automatic dosing in sinks and associated pipework.

Description:

Pro 52 is a unique, concentrated synergistic blend of specialised bacterial strains scientifically developed to promote the rapid break down and digestion of organic waste. The live solution contained in Pro 52 is proven to completely degrade and convert a wide range of fats and grease to carbon dioxide and water which provides rapid control of build-up and odours from drains.

Benefits:

- Functions in a wide range of pH and temperature environments
- Eliminates and controls malodour
- Safe non-caustic and non-corrosive formula
- Pro 52 is an environmentally responsible cleaning solution containing no solvents or phosphates
- Fast working and easy to use

Instructions for use:

Always shake before use.

Locate the main source of fats in washing sink or rinsing station.

Set 150ml - 300ml per day of Pro 52 solution directly upstream from this point using a timer and peristaltic pump.

Dosing should be timed to occur when drain activity is high.

Do not dose too close to dishwasher outlet.

If required, manual dosing can be carried out but be completed regularly for optimum results.

TECHNICAL DATA

PRO 52 BIOLOGICAL WASTE WATER TREATMENT & DRAIN MAINTAINER

Contains:

CAS No: 2634-33-5 1,2 Benzisothiazolin-3-one

CAS No: 55965-84-9 A mixture of:

5-Chloro-2-Methyl-2H-Isothiazol-3-One [EC No 247-500-7]

Care:

Warning: May cause an allergic skin reaction. Causes serious eye irritation. Avoid breathing mist/spray. Wash hands thoroughly after handling.

Wear protective gloves, eye protection. IF IN EYES: Rinse cautiously with water for several minutes, remove contact lenses if present and easy to do so.

If skin irritation or rash occurs: Get medical advice.

If eye irritation persists: Get medical attention.

Keep out of the reach of children.

State	Liquid
Appearance	Light brown
Odour	barley perceptible odour
pH	Approx 7
Solubility	Miscible in all proportions

Available sizes and ordering codes:

2 x 5l Concentrate	PRO52-2x5
1 x 200l Concentrate	PRO52-200
1 x 1000l Concentrate	PRO52-IBC
